HALF MARATHON & RELAY RACES**

November 1, 2026

Greetings!

It's hard to believe we're preparing for our 15th Annual InFirst Bank Veterans Marathon! As plans are underway, we're reminded that this event is about more than just a race—it's about honoring military service by turning community support into meaningful help for local veterans. Every step, sponsorship, and donation helps fuel our mission, with all proceeds benefiting the Western PA Veterans Relief Fund, a local nonprofit 501(c)(3) that provides financial assistance to active-duty service members and veterans facing economic hardship.

Since its inception in 2018, the Fund has helped meet critical needs such as rent, utilities, childcare and family expenses, education, and other essential bills. It also partners with veteran organizations and agencies to connect veterans with the support they need to move forward. This partnership was created so the race could directly give back to those who have sacrificed so much, and thanks to the generosity of our sponsors, runners, and donors, the Veterans Marathon has raised nearly \$400,000 to support local veterans in need.

By coming together each year, we're not only hosting a race—we're making a real difference in the lives of heroes in our own communities. As a certified Boston Qualifier, the Veterans Marathon attracts hundreds of runners from our local communities and throughout the United States. We invite you to consider sponsoring this year's Veterans Marathon and joining us in making a meaningful impact for local veterans and their families. Your support helps ensure this event continues to honor service while providing direct assistance where it is needed most.

Thank you so much for your consideration and support! We truly appreciate your partnership.

Sincerely,

Jessica Cunningham
Veterans Marathon Board Member & Secretary
